

Adult Education Courses for 19+

Award in Motor

Vehicle Mechanics

in partnership with
The College of West Anglia 

This four session accredited short course in Motor Vehicle Mechanics will give you hands-on experience of some practical mechanic skills, which may include: basic maintenance, fluid levels, spark plugs, brakes, identifying hazards and using tools safely. This is an Entry Level 3 qualification, which will give you an insight into working within the motor vehicle/engineering sector and can lead on to a Level 1 qualification.

Fully funded for those not currently in employment/education/training or those earning under £16,009 per year

Course dates: Starting Friday 2nd October 2020, then each Friday for 4 weeks

Training location:
ACE Training Centre, Rackheath, Norwich.
Funding is available, subject to eligibility criteria

Transport provided from
Great Yarmouth and Norwich
(subject to availability)
