

Adult Education Courses for 19+

Practical Introduction to Construction

in partnership with
The College of West Anglia 

During this five session accredited course, you will get hands-on experience of some practical Construction skills, which may include: brickwork, carpentry, tiling, plastering, decorating, identifying hazards and using tools safely. This Entry Level 3 qualification will give you an insight into some of the techniques used within the construction industry and can lead to a Level 1 qualification.

Fully funded for those not currently in employment/education/training or those earning under £16,009 per year

Course dates: Starting Friday 2nd October 2020, then each Friday for 5 weeks (excl. 30/10)

Training location:
ACE Training Centre, Rackheath, Norwich.
Funding is available, subject to eligibility criteria

Transport provided from
Great Yarmouth and Norwich
(subject to availability)
